Next Meeting: Apr. 25, 2019 7:00 PM

Volume: 38 Issue: 4

Columbus Center 2500 S. 500 E. Room 106

Hello Everyone,

So *Spring Showers* bring *May Flowers* and more opportunities for metal detecting. Congratulations to Cheryl Harrison for her NUTS Club Medals design of Chinese Arch at Promontory. This is her second winning design in a row. Great Job!

Our guest speaker this month is Glen Beckstead. He will share his vast amount of knowledge and success about collectibles. We are looking forward to the great finds this month. Our treats will be provided by Chris Stapley.

Also a reminder about our NUTS Club Token Show on June 28-29. Please start planning your display ideas for the show.

Hopefully you had a chance to visit the Ogden coin show April 12-13, there was a great turn out and great opportunity to advertise the 2019 NUTS coin show.
Thanks for your amazing support.

Buffalo trivia - What years were the Buffalo Nickels minted?

Thanks,
See ya at the meeting.

1 for monthly signed attendance log,
1 for bringing treats (dessert and drink),
1 for being an officer/wagon master each month,
1 for each hour serving at the coin/token show,
1 for submitting an article,
1 for referral that joins club,
1 for member spotlight or special find in the news,
1 purchasing prizes for the raffle per month

Club Officer Biography

Larry and Susan Kimura

Larry was born and raised in Salt Lake City. He attended Granite High School and was awarded the James E. Moss medal for outstanding athlete of the year. He celebrated his 50th reunion last summer.

After high school graduation, he served a mission in Japan and was a guide in the Mormon Pavillon at the 1970 Osaka World Exposition in Japan and gained an appreciation for his heritage.

Larry enjoyed taking up ballroom dancing at BYU. He was tall man on the short team and short man on the tall team. He married Susan in 1974. After getting his degree, in 1977, in recreational education, physical education, and minors in math and driver education, he moved to Aberdeen, Idaho. He taught high school math, and coached football, track and wrestling for two years before moving to West Jordan.

He taught math and driver education at Bingham and Copper Hills High Schools until his retirement in 2010.

In 1986 Larry and Susan adopted two little girls. Ramie was 33 months old and we picked up Cambree at the hospital the day she was born. They have given us 5 grandsons and one granddaughter. Of course, all are simply adorable and highly intelligent.

Larrys hobbies are coin and currency collecting. He has been a member of the stamp, UNS Coin, Ogden Coin, N.U.T.S., G.I.Joe, and Rose Society Clubs. He enjoys gardening and spends most of his time outdoors in the garden. He has an orchard of 40 trees.

Susan was born in Kenilworth, Utah. It is on the way to nowhere. You have to be going to Kenilworth to go there. My family lived in Utah, Colorado, Wyoming, Washington, France and Germany. Dad was a civilian auditor, he worked for the U.S. Army. I have 7 brothers and sisters. I graduated from BYU, majoring in English and minoring in history. My greatest interest is family history and helping others with theirs.

Clay Riggs

I was born in Gunnison, Utah. I lived with my mother and grandparents until I was five years old. Then my family moved to Grantsville. I attended Grantsville Elementary and Junior High and am in the 7th grade.

My fun activities are going to our cabin, four-wheeling, rock collecting, hiking, fishing, camping, playing on my phone, and helping Grandpa with his cell phone. I like hanging out with my friends and just being a good teenager and having a good time.

I have the rank of star in the Boy Scouts and working on my Life and Eagle. I have been in the coin clubs for 6 years and joined the club when I was 8 years old.

I have a three-year-old brother, Parker, and a two-year-old sister, Jade. My mom and dad have their own business. Sometimes they pay me to work with them. I like having my own money and saving it.
